Lisa- thanks for your messages. As mentioned during our phone conversation, I am sending the 2016 final OOOOa ICR and supporting statement. See attached and this is where it can be found in the public docket: <https://www.regulations.gov/document?D=EPA-HQ-OAR-2010-0505-7626>

Keep me posted on the next steps for this,

Amy

Hi Amy,

I just left a voicemail for you. You can ignore it if you get this email first.

I spoke with Eric Schultz of OEI today, and he said he would be able to upload the final rule ICR immediately, but could do it quicker if we resent the final rule material. To be sure he has the correct material, please resend the material to me as soon as possible. Thanks.
